Maryland, June 30, 2015 – HealthPRO® Rehabilitation, one of the largest independently owned therapy providers in the country, is pleased to announce that its CEO John Heller received the Ernst & Young Entrepreneur Of The Year® 2015 Award in the Health category in Maryland.

The award recognizes outstanding entrepreneurs who demonstrate excellence and extraordinary success in such areas as innovation, financial performance, and personal commitment to their businesses and communities.

“This is a great honor and I’m humbled to be selected for an award. I see what HealthPRO® has accomplished as a team effort and this award is a reflection of the hard work and dedication of many people in the organization. I am proud to lead such a talented, innovative, and conscientious group of individuals,” said Heller. “This recognition reinforces our core values as a company and the benefits HealthPRO® brings as a provider of innovative therapy solutions that touch the lives of thousands of patients and their families each year.”

Heller was selected by an independent panel of judges made up of previous winners of the award, leading CEOs, private investors, and other regional business leaders. The award was presented at a special gala event on Thursday, June 25, 2015 in Baltimore.

As a Maryland award winner, Heller is now eligible for consideration for the Entrepreneur Of The Year 2015 national program.
